The best Coldplay tribute show in Europe, an unforgettable journey through the greatest hits of Chris Martin & Co.

Enjoy the stunning spectacle of Starfish - Coldplay Tribute Show, the best tribute in sound fidelity to the Coldplay's record-breaking Music Of The Spheres world tour.

Headliners at Tribfest (the world's biggest tribute band festival which takes place in Driffield, UK) in 2019 and in 2022, the show has attracted rave reviews from fans and critics alike, with the Director of Tribfest UK Ed Faulkner calling it "not only the best tribute to Coldplay but the best tribute I have seen". Watch as the band perform classic hits from across Coldplay's career including Yellow, The Scientist, Fix You, Viva La Vida, A Sky Full Of Stars and My Universe in a venue bursting with lights, lasers, confetti and special effects, all of which combine to make Starfish's concerts such a joyful and life-affirming experience.
